Greetings:

I would like to offer my sincere congratulations toward the holding of the 12th Annual Nihon Matsuri in Salt Lake City, Utah. I hope everyone will enjoy the attractions and performances that show Japanese culture.

I offer my deep gratitude to the Nihon Matsuri Committee and all people involved who made this festival possible, and to the people of Salt Lake City and Utah for supporting this annual event.

The Consulate-General of Japan in Denver will continue to work to further strengthen the relationship between Japan and Utah through mutual exchange.

Thank you very much,

Hiroto Hirakoba

Consul-General of Japan in Denver
